Prerequisites

These are requirements that the Scout needs to complete before camp if they want to complete the merit badge/activity while at camp. For example, a Scout must complete requirement 1b of Photography before coming to Heritage if they want to complete it while at camp. The Scout must bring evidence of work completed, either a merit badge card with completed requirements signed by a counselor, a note from a unit leader, or a photo showing what the Scout has completed.

Check back on March 1, 2026 for an updated list of Prerequisites for this summer.
